ACCREDITATION OF DOH DESIGNATED TREATMENT HUBS AND SATELLITE TREATMENT HUBS AS OUTPATIENT HIV / AIDS TREATMENT PACKAGE PROVIDERS

To increase access of PhilHealth members and their dependents to the Outpatient HIV / AIDS Treatment (OHAT) Package, the DOH recently established Satellite Treatment Hubs in addition to DOH Designated Treatment Hubs (**Annex A**).

Accredited Health Care Institutions (HCIs) that are established as DOH Designated Treatment Hubs and Satellite Treatment Hubs shall no longer apply for a separate accreditation as OHAT Package providers but shall submit a new filled out and signed Performance Commitment indicating the OHAT as one of their services.

HCIs not accredited with PhilHealth shall apply for accreditation as OHAT Package providers. The guidelines for accreditation shall be issued through a circular.
